5375 Duke Street Apt 113
Alexandria VA 22304
U.S.A.

STC is a Section 501(c)(3) professional organization for technical communicators. STC members research and create information about technical or specialized topics such as computer applications, medical procedures, or environmental regulations. They write website content, online help, manuals, create graphic designs, use social media, and ensure product usability. Technical communicators provide marketing materials, documentation, and instructions for products and services.
